

# TCG 457(b) SAVINGS PLAN

**Financial independence begins here ▼**

Your employer offers the TCG 457(b) plan as a way to help you save for life beyond your prime working years. In the past you had to settle with plans known for high fees and poor investment choices. Now you can choose a low-fee plan with high-quality investment options overseen by a committee of professional investment advisors.

## **SAVE. SAVE. SAVE.**

While your state pension may be enough to cover your expenses when you first retire, your reduced monthly income may not be sufficient for factors like medical bills, taxes, and your desired standard of living. You need an effective savings plan to help you meet a comfortable lifestyle upon retirement.

## **PLAN HIGHLIGHTS:**

- » No 10% early distribution penalty tax
- » No surrender charges or hidden fees
- » No product commissions
- » Start/stop contributions at any time
- » Professionally-managed portfolios
- » Fiduciary oversight by TCG Advisors
- » Employer oversight of plan investments
